EDITORIAL

Filling this little bit of the magazine is the hardest bit for an editor to do. After all, choosing pictures of hot girls and interviewing them is a pleasure. But it takes a lot out of a man. By the time we're ready to put the magazine to bed, the whole team is exhausted. And just when you think you've finished, you've got this little bit to fill, which no one reads anyway. Who can blame them? There's a magazine full of fresh girls ready to be enjoyed. No, that's enough. I'm not going to write this bit this month...

Dear Club,

I just had to write and tell you about my new boyfriend, as I know you lot love hearing about weird and interesting sexual experiences. I'm 27 years old, and pretty sexy, even if I do say so myself. My firm boobs and long legs certainly seem to get the guys going! I'm forever on the lookout for nookie, and I particularly love a bit of bizarre sexual activity, just to add a bit of spice to proceedings.

Anyway, a few weeks ago, I went to a fayre in a nearby village, and they had one of those dreadful battle re-enactment shows on. You know the kind of thing, groups of blokes dressed up as knights or Vikings pretending to beat the shit out of each other to entertain the crowd. This lot were supposed to be invading Vikings, and I found it all extremely dull until I saw Henry.

Henry was 6 foot tall with long straggly hair flowing down from under his horned, metal helmet. He was dressed in a chainmail tunic, and was wielding a massive great broadsword and a shield. I don't know why, but this guy made my pussy get all wet just watching him. They had their staged scrap, everyone applauded and I made a beeline for the giant Viking.

We sat in Ye Olde Ale House and drank far too much cider while I flirted outrageously with Henry and made it pretty obvious I was up for a shag. I think he finally got the message when I ran my hand up his bare leg and under his skirt-like tunic, tickling the bulge in his boxer shorts.

"I didn't know Vikings wore underpants," I said with a giggle. "Why don't you come and invade my flat sometime – like now?"

"Okay, I'll just get changed and we'll go," he said, realising that his luck was well and truly in.

"You'll do fine exactly as you are, Mr Warrior," I said and gave that large bulge another playful squeeze.

One of Henry's mates drove us back to my place, and I dragged my helmetted friend into the bedroom. Henry pulled me to him as I undid my blouse, and the feel of the metal rings of his chainmail against my bare nipples made me shiver with excitement. His tongue thrust inside my mouth as I wriggled my tits against the hard steel, loving the cold, scratchy feeling against my skin.

I pushed a hand up his skirt and yanked his pants down to his ankles, enjoying the feeling of his thick, semi-stiff dick and balls dropping into my palm. I squeezed his testicles and felt his heavy knob grow in my hand. We snogged some more as my other hand stroked his firm arse, and he eased a finger inside my panties and pressed it into the gooey interior of my cunt. He jerked it in and out while we kissed, but I was in need of something more substantial by now, and pulled away. I lay back on my bed and spread my bare thighs wide, opening my juicy slit with my fingers so he could see right inside.

"I've always fancied being ravished by a Viking," I giggled, "especially if they have a big sword."

I grabbed the huge weapon that was leaning against the bed, and placed the hilt of the sword against the opening of my pussy. Covering it first in my sticky juices, I pushed the tip inside my hole and slowly eased it up me until my fanny lips rested against the cold steel hand guard. I nearly burst out laughing as I looked up at Henry, standing over me, his rigid dick in his hand, his mouth agape and his horned helmet perched at a silly angle on his head. My improvised dildo was so cold and hard, I couldn't stop myself from climaxing all over the handle.

Before the waves of lust had subsided, Henry had removed his sword, and replaced it with his fat prick. It slid up to his balls effortlessly as, by now, my cunt was dribbling with cum and he sucked a nipple between his teeth, chewing it gently as his golden locks draped over my chest.

Bloody hell! I was fucking Thor as far as my imagination was concerned, and I came again, causing his dick to make obscene slurping noises as he rammed it in and out. I sucked on the tip of one of the horns on his helmet as he reached behind me and lifted my buttocks off the bed so his cock could penetrate me deeper.

"Fuck my arse!" I yelled, and squirmed around, pushing my bum as high as I could. Henry's big muscle slipped from my slit and I winced as he pushed it hard against my tiny anus. With a jolt it was in, and I thought I'd faint as the thick, stiff meat probed as far as possible into my rear.

"Christ, this is good," said Henry, as he grunted and growled his appreciation of my narrow butt tunnel. I came again thanks to the arse-fucking and that cold chainmail slapping against my buttocks. The tensing of my muscles was obviously too much for my Viking invader and, with a yell, he pumped jet after hot jet of seed deep up my arse.

We screwed and fucked all over the flat that night and I've been seeing him ever since. He likes dressing up as a Viking, and I like shagging him when he's dressed up as a Viking, so it's a fine match, made in Midgardhur.

NAT'LL DO NICELY!

Dear Club,

I think Natalia is a bit of an unsung hero of *Club International*. I don't think I've seen a bad photoshoot with her, and she seems to be the kind of girl who suits any outfit or setting. The shoot in the latest issue (*Club 43/2*) is tremendous, and the picture of her alluring looks and smooth fanny on page 21 is one I'll cut out and keep forever. Keep her coming, please!

Danny, Chesterfield

We agree 100% Danny – Natalia is always stunning, and a charming girl into the bargain. Worry not, we've already got some lovely new photo sets of her lined up exclusively for Club International readers. Keep your eyes peeled.

COX'S PIPPINS!

Dear Club,

Your Reader's Girlfriend from *Club 43/2* is a very naughty girl. I've seen her in a few mucky DVD's and she doesn't mind taking it up the wrong 'un, I can tell you. Whoever has her as his girlfriend is a lucky bloke, as long as he doesn't get too jealous of porn stars bonking her all the time!

John, Paddock Wood

Yes, Stella Cox is carving out a nice career as a porn star – great looks, big natural boobs and an open mind – we reckon she'll go far!

The Green light...

After a warmly appreciated recent debut in these pages, Emma Green returns to share her charms.

"I got some lovely letters," she tells us, as did we. "I thought they'd be ruder but most of them were very romantic and sweet. Some asked if they could buy me things from my Amazon wish list. I didn't even know what that was, so I had a look and it turns out loads of girls have a shopping list for their fans to buy."

We're aware of this...

"Some of them are quite cheap, but some of them are really greedy cows! They're furnishing their homes with stuff they get from fans!"

Nice work if you can get it.

"Well, if I do one it'll only be for sexy gifts – toys and lingerie – which I'll use then send back!" ♣

Cricket World Cup

Australia and New Zealand – February 14th to March 29th

A ridiculously long-winded format means that interest in this one will ebb and flow across the weeks to come. However, when the knockout stages start in mid-March – arguably the beginning of the real tournament proper – expect cricket mania to take hold for what eventually promises to be a thrilling showcase for the '50-over' format.

The 11th staging of the Cricket World Cup has indeed already burst into life on its big opening weekend, with co-hosts Australia and New Zealand having begun their campaigns against England and Sri Lanka respectively; early markers set down but no real conclusions to be drawn such is the length of this shebang. The only two African teams to qualify, South Africa and Zimbabwe, also went head-to-head and of course there was the massive clash between subcontinent rivals India and Pakistan, a match that reportedly sold out in just 12 minutes when tickets went on sale.

Whilst any cricket nut worthy of the name was most likely glued to their sofa at ridiculous o'clock for that early salvo, a good number of the remaining group games are unlikely to appeal to the floating fan. Interest spiked for the England versus New Zealand match, for example, and should do so again for big games such as when the hosts lock horns on the second weekend of qualifying. Potential shocks offer added appeal, such as when one of the big teams, England most likely, are either turned over or run worryingly close by a plucky underdog, possibly Scotland or Afghanistan, but there's precious little to excite prior to the clamour for the eight knockout places.

In many ways the Cricket World Cup is structured to make it less exciting than it should be; the architect of its own tedious bits. The fourteen participating teams are split into two unwieldy groups of seven where four from each progress to the quarter finals, creating a format which necessitates 42 qualifying matches, a significant amount of which become thrashings and dead rubbers as the better sides establish themselves and most of the poorer sides are outclassed. Of course the inclusive format allows more teams to participate, but four smaller groups could make the tournament less flabby.

Inevitably, co-hosts and top-ranked Australia are the favourites, with reigning champions India and third best South Africa also fancied. England took some positives from the tri-series warm-up, most notably an impressive win over India, although Eoin Morgan's charges will have to be consistently at their best to make an impact on this World Cup – they often looked out of their depth against the Aussies in the same tournament.

The Cheltenham Festival

Cheltenham Racecourse – 10th to 13th March

For all the glitz and galloping glamour of the flat racing season, it's over the jumps where the genuine thrills and spills can be found. Success in the National Hunt side of the so-called 'sport of kings' requires grit, courage and determination from both man and steed, and nowhere is this better exemplified than at the Cheltenham Festival. This is a place where heroes are made to be remembered forever; Arkle famously won the showpiece event of the meeting, The Gold Cup, three times in a row in the 60s under Pat Taaffe, Simon Sherwood partnered the hugely popular Desert Orchid to his only Gold Cup win in 1989, and more recently Kauto Star, with Ruby Walsh on board, landed the big race twice in 2007 and 2009, becoming the only horse to date ever to lose and then regain the prize.

This year's entries are headed by a couple of previous winners bidding to double-up and earn their place in the history books in Lord Windermere and Bob's Worth. The former caused a huge upset last year when prevailing at 20-1 after a dramatic three-way finish, while Bob's Worth, a fading fifth in that race, romped home by seven lengths back in 2013. Despite disappointing behind both Lord Windermere and Bob's Worth in their respective victories, Silviniaco Conti is expected to start as favourite this time around after an impressive run to land his second King George VI back in December. Trainer Paul Nicholls claims that his charge has been transformed after donning 'sheepskin cheekpieces'. Well it's certainly worked for me...

Formula One Season Begins

Australian Grand Prix – 15th March

In many ways Formula One is a metaphor for life. We go around in circles, going nowhere yet also desperate to get there first. Some crash out and others require patching up along the way, but all who succeed will be rewarded by an all-powerful being who may or may not look like a Terrahawk – we just don't know. It's sometimes dull and at other times so very exciting, but above all, in life as in Formula One, change is inevitable, and the sport's off-season has predictably thrown up plenty of that.

The really big news is that four time champion driver Sebastien Vettel has left his beloved Team Red Bull to join Ferrari in place of Fernando Alonso, who in turn pairs up with Jenson Button at McLaren to create the most experienced partnership in Formula 1 history with 500 Grand Prix between them and a combined age of 67. Incidentally, rumours that a small compartment for Werther's Originals has been factored into the new McLaren's design are as yet unfounded, as is a mooted flagship sponsorship deal with Tena Man.

Exciting young Russian prospect Daniil Kvyat is promoted from the Toro Rosso team to fill Vettel's seat at Red Bull alongside rapidly improving Aussie Daniel Ricciardo. Mercedes, however, are unsurprisingly sticking with the combination of reigning champion Lewis Hamilton and runner-up Nico Rosberg that helped make them such a formidable force last season. This, of course, is great news for both fans of the sport and those who enjoy watching adults behave like silly adolescents, with more on and off track squabbles anticipated from this shamelessly competitive duo. You couldn't watch a race without witnessing some near-miss or collision between these feuding 'team-mates', and 'behind the garage doors' tales abound of Hamilton playing pranks such as regularly placing an inflated whoopee cushion in his rival's car pre-qualifying and of Rosberg putting a banana up Hamilton's exhaust at the Hungaroring.

> "It'll be interesting to see if old stagers Button and Alonso can enjoy one last hurrah being being consigned to the commentary box"

Such antics aren't so much of an issue when things are going well, and with Mercedes launching another hotly-tipped car this year the tomfoolery from their win-at-all-costs driving tits look set to continue until further fuck-ups. Whether Rosberg can overhaul Hamilton is another thing altogether, although considering the latter has had a fancy new haircut and started hanging out with rappers you'd have to fancy Rosberg to have the extra hunger and focus to do just that.

But Mercedes might not have it all their own way. A stronger challenge is expected from Red Bull and Vettel's progress with Ferrari will be fascinating to watch. Over at McLaren it will be interesting to see if old stagers Button and Alonso can enjoy one last hurrah before being consigned to the commentary box. All will begin to unfold when the teams take to the track in Melbourne, with Rosberg possibly attempting to remove Hamilton from the track shortly afterwards... ♣

Game of Thrones: Season 4

(Warner Home Video, DVD £27, Blu-ray £35)

The further HBO get into their adaptation of George R. R. Martin's epic *A Song of Ice and Fire* books, the more problematic it'll become. Martin is famously painstaking, while HBO are tied in to deliver a new series every 12 months. They'll soon catch up with the author, who is often pilloried by fans for having a life and not just writing more books for them. There's also the issue of quality control – the last couple of instalments just aren't as good as the first three. So many major characters have died, others are stalled, others have disappeared. The world has got so vast that the narrative drive is somewhat reduced. And we're still recovering from the Red Wedding.

Happily, the fine people at HBO have made some changes. Some will leave canon purists bemused, but nearly all of them make sense televisually. Season four is brilliantly constructed, cutting between the main theatres of action breathlessly. The men of the Night's Watch face off against Mance Rayder and giants, the Lannister's play politics, Stannis rebuilds and plots, King Joffrey remarries and the Red Viper of Dorne, one Oberyn Martell, will become your new favourite character. And, for once, the real shocks are reserved for the finale, rather than the penultimate episode. Still the best thing on TV, long may it continue.

★★★★★

Lucy

(Universal Pictures, DVD £10, Blu-ray £13)

The central idea of the latest from the mercurial Luc Besson – that there's a drug that will allow us to use vastly more of the brain than we normally do – is an interesting one. And when this drug bursts in the stomach of forced mule Scarlett Johansson, there are good action high jinks to be had. She gives it her all, and delivers in a couple of excellent set pieces. But the material is ultimately flimsy. Besson doesn't know where to go with it, so the film ends abruptly after an unwanted excursion into Sci-Fi. If Besson had any idea what he was doing here, the film would be 20 minutes longer and Morgan Freeman wouldn't be utterly wasted as a neurologist who just looks bemused for the entire film. ★★★

The Rover

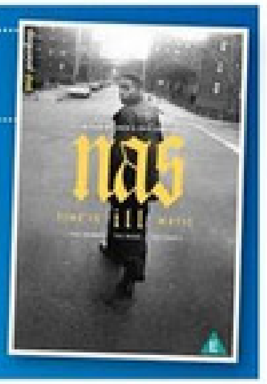
(Entertainment One, DVD £12.76 Blu-ray £13)

Director David Michod's *Animal Kingdom* was a brilliant, gritty and original crime drama, and he reunites with star Guy Pearce for this somewhat less accomplished thriller. There's good stuff here – set in the Australian outback after a global economic meltdown, Pearce is Eric, seeking revenge on the men who took his last possessions. Robert Pattinson, who has reoriented his career successfully after *Twilight*, is with him – a naive accomplice. The two lead performances are the main reasons to watch the film, which unfortunately meanders too much. Some viewers will want their hand held a little more, as very little is explained, but others will just find that the longeurs test the patience a bit too much. ★★★

Before I Go To Sleep

(Studiocanal, DVD £9.99 Blu-ray £12.99)

Nicole Kidman plays a woman who wakes up every morning with no memory of who she is, or who the man she wakes up next to is either. A good psychological thriller (with mild elements of *Memento*), Kidman is given strong support by Colin Firth and Mark Strong. Unfortunately, the last fifth of the movie sags desperately. ★★★



Nas: Time Is Illmatic

(Dogwoof, DVD £9.99)

Released to mark 20 years since the release of Nas' stunning debut hip-hop album *Illmatic*, this short documentary delves into his Queensbridge, NY background and while it's not a must watch, it does offer some insights into a true classic album. ★★★

Boyhood

(Universal Pictures, DVD £9.99 Blu-ray £13)

Richard Linklater's cleverly made film is a shoo-in for a bunch of awards, and this labour of love has much to recommend it. It also has some weaknesses that the hoopla over how the film was made – over twelve years with the young actors growing up – have obscured for some critics. Not a lot happens, but in an interesting way! ★★★★

Classic Corner

The Man Who Knew Too Much

(Network, Blu-ray £10.25)

While the Hollywood remake of this film has its moments – and James Stewart – the original 1934 version is a different beast. Hitchcock himself called it "the work of a talented amateur" but it's arguably the better film, thanks in no small part to a brilliant turn from Peter Lorre as a villain. Leslie Banks and Edna Best give it some plucky Brit, and Hitchcock's visual trickery is actually better here than in the remake. File this alongside Hitch's other British masterworks, especially in this carefully restored version, which dumps on the DVD release from a great height.

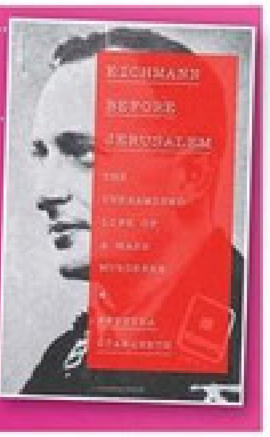
Confessions of a Sociopath

M.E. Thomas (Pan £8.99)

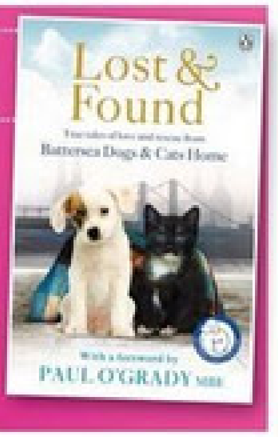
Written by a self-confessed (and largely self-diagnosed) female sociopath, this book is a tough but rewarding read. It depicts the workings of a mind alien to many of us, but one which we may have encountered. Thomas is unflinching about her lack of feelings and her manipulation of people. On the downside, it's repetitive and the writing isn't brilliant.



Eichmann Before Jerusalem

Bettina Stangneth (Knopf £23.11)

In this brilliant companion piece to Hannah Arendt's controversial *Eichmann In Jerusalem*, Stangneth pores through the Nazi Eichmann's life in Buenos Aires after World War Two. She depicts a manipulative man who wasn't the banal cog in the Hitler machine he portrayed himself as. An exhausting read, but vital to our understanding of what happened.



Lost & Found

Battersea Dogs & Cats Home (Penguin £7.99)

Rinse the taste of sociopaths and Eichmann from your mouth with some unabashed animal-based sentimentality. This heart-warmer is full of small tales of the impact rescue dogs and cats can have on their owners, and if you don't cry you're M.E. Thomas or Adolf Eichmann. Order a big box of tissues while you're at it, you'll definitely need them.

Zeno's Conscience

Italo Svevo (Penguin £12.99)

Regarded as a masterpiece by James Joyce, Svevo's novel about about an unlikely hero failing to quit smoking is definitely a triumph of modernism, and one of the finest Italian novels of the 20th century. Published in the 20's, Zeno Cosini undergoes psychoanalysis and explores his mind and relationships wit bitter irony. He's the ultimate unreliable narrator for this menadering classic. ♣

Google Nexus 9

www.google.com

The Google Nexus range has operated in that grey area somewhere above the Hudl and somewhere below the iPad, and has been priced accordingly. It does good things but at a good price. This latest iteration is a sizeable leap in price, and with a 64 bit processor, a great 8.9" screen and the very latest Lollipop Android software, it closes the gap on its top rivals.

But it only goes up to 32GB of storage and with just a dual core processor, it hasn't quite got the punch its price point should lead you to expect.

Pros: Screen is brilliant.
Cons: Lack of memory expansion.

£129

Tesco Hudl 2

www.tesco.com

Tesco might be having all manner of problems with dodgy profit reports and shrinking market share, but you can't blame the Hudl for that. It was the little budget tablet that could, delivering lots of the features you want in an iPad, without some you don't, and at a fraction of the price. A real success story.

This update has only 16GB of memory but the screen is HD, the battery is fine and it's great for the family, especially for kids. We can overlook some relatively minor shortcomings at just north of a ton.

Pros: Screen, price.
Cons: Camera, Tesco ads. ♣

Monitor Audio Airstream S200

www.monitoraudio.co.uk

For those of us with cables and speaker wire all over the bloody pace, the Monitor Audio Airstream S200 is something of a godsend. It's nice and small, has a choice of finishes (both of which look good) and is a doddle to connect most audio products with for wireless streaming (although you can USB things straight into it)

Wall-mount, connect it to your iPod or iPhone and you're laughing. The only downside is that pairing a non-Apple device with it can be a bit of a ballache.

Pros: Has serious audio punch.
Cons: Set-up can be a chore.

The life of Ryan...

Ryan has become a firm favourite with *Club* readers since her very first appearance. But she's also beloved of the staff. At first it was just a couple of people in the office saying they thought she was special. Then we started finding telltale copies of *Club* open to her pages in the toilet – the men's and the women's. And now someone has gone to the effort of making a lifesize cut-out of her, complete with all relevant holes. It's faintly creepy, to be honest, but we can't deny we're tempted to roadtest it. Anyway, that's us – we love Ryan. So much so, we think it'd be best if she took out some kind of restraining order on the entire department... ♣

Valentine's Day. Some of us love it, some of us hate it. And some of us hate it that our wives or girlfriends love it so bloody much. But I think there's one thing we can all agree on: If Dani was your Valentine, you'd never forget it.

"I love the romance of it," Dani says, "and you'd better be coming with flowers and chocolates for me. But if you really want some sexy Valentine rewards, you need to be picking out some lingerie. I'll model it for you, of course. And then I'll give you your present – a long, balls-deep blowjob that ends with you cumming wherever you want – on my tits, on my face, into my mouth. AWARD-SINNING!

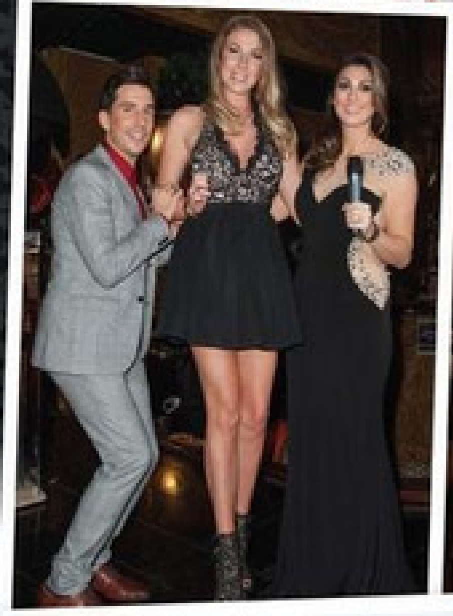
We celebrated the greatest girls (and the odd bloke) from another red hot year at the recent Paul Raymond Awards. And then we drank some vodka and wrote this...



The great, the good and the staff of *Club International* gathered at the Spearmint Rhino club in London's West End in November, for the 2nd annual Paul Raymond awards. Bigger and better, the awards were hosted by Luisa Zissman (of *The Apprentice* semi-fame) and Russell Kane (who didn't appreciate the crowd, you know, enjoying themselves and not hanging on his every word) and saw the top glamour girls in the industry picking up deserved awards. With sponsors including Hawker Cosmetic PR, PureXXX films, Television X, Forno TV, Undertheduvet.co.uk, Yourchoice and more, the party kicked off early and saw the *Club* staff lubricated every which way. With Lexi Lowe winning Paul Raymond girl of the year, Sophia Knight *Club* covergirl of the year and Dani Maye and Jenny Laird Editor's Choice awards, there were beautiful girls everywhere. Arranged by our very own indefatigable Mark Hassell, the awards were a great night, and culminated in a lifetime achievement award for legendary snapper Steve Colby of this parish. Thoroughly deserved old fella. See you at the next one, pacemaker permitting… ♣

Alli does bongo...

Super-cute Alli only turns 20 this year, but the American babe is already making a splash in the world of adult entertainment. Or, to be more accurate, making us splash while watching her in the likes of *Blast On The Ass*, *Drop Them Drawers Give Daddy Some Candy* and *Booty Call*.

"I've only just started," she giggles down the phone, "and I'm still discovering things. I haven't done anything too rude yet, but I've got plans to do some harder stuff in 2015. Keep your eyes out for some hot stuff from me!" ♣

TEENAGE LICKS

...all through the night!

No offence to the nice Eastern European blokes who do such a good job cleaning our motors at the local carwash, but they could do with learning a thing or two from Alexis. Okay, she isn't doing that good a job – we'll probably have to get it done again – but it's all in the way she's doing it. She realises that what matters isn't the turtle wax – it's showing us her pussy, arse and tits and lathering them up. Actually, come to think of it, we really don't want the blokes at our carwash to do that... ♣

THE GLOBE THEATRE

Julianne Moore

All the world's a stage, and sometimes famous ladies get their norks out on it...

Of all the great Moore's – Bobby, Ian-Storey, Demi – our favourite has to be Julianne. The North Carolina actress is in her 50's now, but the pale redhead is at the peak of her acting powers (if you exclude that awful Boston accent she did in *30 Rock*). She's always been brilliant – and brilliantly sexy – but is turning in increasingly powerful performances, with a side serving of skin. In the last five years *Chloe*, *Maps to the Stars* and *The Kids are all Right* have all let Julianne show off both her acting acumen and her pygmy's cock-like nips. Win-win. ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

TIGHT FIT!

I'm 24 and like many blokes my age, I often get hard just from looking at a pretty woman's legs. But my interest goes further than just the shape and length of a woman's pins. What really trips my trigger is shagging a bird through the torn gusset of her tights.

Unlike most blokes who think stockings and suspenders are the biz, I love the feel and smell of a woman's pussy through the micromesh of her tights. The clingy material totally envelopes a woman's crotch, trapping and holding her natural scent, and it blows my mind when a bird lets me suck her through her tights.

I've been out with some crazy bints in my time, most of whom were really up for this stuff and gave me some real ball-blowing orgasms through their ripped tights. But without a doubt my latest squeeze, Lucy, is the most uninhibited of the lot.

She just oozes sex, and I mean that literally! When she gets hot, she just drips cunt juice, and her tights and pussy become a wonderful gooey mess. When she copped on to what I was into, she stopped wearing panties under her tights when we were together. The little tease also shaved her fanny completely, so that I could see every contour and fold of her gorgeous pussy through the semi-transparent fabric of her pantyhose.

Lucy is top totty, with blonde hair, cock-gobbling lips and an amazing body. But in my opinion her best attributes are her lovely rounded arse, long fabulously-sculpted legs and beautiful feet. All of the above look magic when covered in sheer nylon 20 denier tights! After our first few times together she became even more daring, taking our bedroom tight-ripping antics out in public.

The time I remember best was my last birthday. Lucy booked a table at a fancy restaurant and dressed in her most sluttish clothing. Her heels were so high, her skirt so short and her neckline so low that the waiting staff took her for a prostitute. I loved the look and, somehow, the look of disapproval on the head waiter's face made the evening all the more exciting. Over starters Lucy looked me in the eyes and told me that she was burrowing through the gusset of her tights with her finger. I raised my eyebrows at her audacious behaviour, although, in retrospect, on previous experience I should have seen it coming.

> "Tasting her essence, I could think of nothing but ripping the gusset of her tights wide apart"

"Just a little rip is all I need to get at my pussy," she teased, licking her lips. I watched Lucy's arm moving as her hand pulled and pinched at her gusset under the edge of the tablecloth. Her eyes closed and her lips pursed as she concentrated on pushing through the fragile fabric to get her fingertip to her slit.

Commentating quietly about every move her fingers were making beneath the table, my hot slut jammed her finger hard inside her juice box, and frigged herself in the middle of the busy restaurant. One or two of the patrons looked over when they noticed her jerking in her chair but this didn't put Lucy off her stroke. There was little need for the graphic description of how wet and gooey she was inside as the squelching noises she made were easily audible from where I sat.

Her eyes glazed over with pleasure as she climaxed and finally, she slumped heavily against the back of her chair as she enjoyed her orgasm. I moved my arse on the chair trying to get comfortable, having pitched a tent in my trousers during Lucy's shocking display. Then, just when I thought that I had things under control, she pulled her finger out and waved it in my face.

"Want to sample the sauce you'll be having with dessert?" she taunted, pushing it to my lips in full view of everybody. Heaven knows whether anyone could guess what was on it, and the pressure in my boxers increased as I sucked on the proffered finger. Tasting her essence, I could think of nothing but ripping the gusset of her tights wide apart and fucking her sopping pussy.

My face must have been blazing red as the waiter removed our starters and brought the

next course. Lucy picked daintily at her food while I tried hard to concentrate on the delicious plateful they'd placed in front of me. After the first couple of mouthfuls I was beginning to enjoy the meal and get myself back under control when I heard a sudden and very familiar ripping noise!

While I was eating, the randy little whore had tipped back her chair and, reaching between her thighs, ripped her gusset wide apart. Without any thoughts about the company around us, Lucy lifted the tablecloth and gave me an eyeful of her beautiful, sodden pussy. With her sculpted fingernails she pulled her long lippy flaps apart, so I could see deep inside her gaping slit.

It was all much too much for any hot-blooded male, so I abandoned dinner, fished out my mobile, and phoned a taxi. Taking a wad of notes from my wallet, I dropped them on the table and grabbed Lucy's wrist. Without waiting for her to pull down her hiked-up skirt, I dragged her out to the street. I had little thought for all the rubberneckers as I bundled her into the back of the taxi and pushed her back into the seat.

I'm a fairly big lad and when the taxi dropped us off, I swung her over my shoulder caveman style. The whiff of her sexed-up pussy almost made me shoot as I carried her indoors. Up in the bedroom I dropped her on top of the bed on her back. She spread her nylon-covered legs as I stripped off and when I looked back my eyes devoured the details of her pussy through the tear in her pantyhose.

Her thick, fleshy, pink outer lips were puffed and swollen, glistening with her leaking love juice. Their inner counterparts were finer, softer, and invitingly dark as her essences puddled enticingly between them, oozing out as she contracted her vaginal muscles. As she molded her nylon covered feet around my shaft it became fully erect and my balls churned with spunk.

Lucy reached down and spread her inner lips with her fingertips, performing a sort of gynaecological show-and-tell for me. She pulled back her prepuce and I could see the shiny knob of her engorged clit at the summit of her sticky slit. Flicking it with a long varnished nail, she stimulated her little love button, causing her pussy to alternately contract and gape as she cooed with arousal.

This was far better than any porn flick I'd ever seen, and I had to imagine all sorts of totally unsexy things (like my tax returns!) not to let fly there and then. Ripping her blouse open, I released her large tits. Except, shaking her head, Lucy told me to stay back so that she could wank me off with her feet.

With a smile, I eased back into place, thrilling to the feel of her nylon-clad toes as they gripped my cock. I held her feet against my shaft and sawed my rigid cock back and forth between them, all the while getting a grandstand view of her sopping cunt framed by the torn and ragged tights across her crotch.

It was too much too soon, and after a while I felt myself approaching the brink of climax. So I pulled her up off the bed. Turning her so that she was bent over the end of the bed with her hands on the mattress, I began to fondle her arse cheeks through her tights. The soft fleshy globes felt so good through the gossamer mesh of her pantyhose and I thoroughly enjoyed squeezing and mashing them in my hands. Taking my rigid cock in my fist, I spanked her arse with it, my oozing Jap's eye leaving a small trail of pre-cum on her tights every time my helmet made contact.

> **“Running my tongue between her sticky folds, I nibbed at her erect clit and wriggled my tongue inside”**

Lucy was fingering her sticky cunt and begging me to fuck her, so I pulled back and, with a playful slap to her arse, told her to get back on the bed. I'm not sure whether she was relieved or disappointed, but when she spread her fantastic legs and exposed her deep, hairless gash, I didn't give her arse another thought as I moved between her thighs.

I drew her long legs apart, the ripped nylon twisting and wrinkling as I spread her thighs. Covering her moist slit with my mouth, I dug my tongue deep between her meat flaps, exploring her shiny pink interior. Running my tongue between her sticky folds, I nibbled at her erect clit, and then wriggled my tongue back inside her clenching vaginal opening. She began to moan loudly and I could feel her cunt muscles clenching around my tongue.

I couldn't get enough of it! With my tongue flicking her clit, I thrust two fingers inside her box while I rubbed her anus with my thumb. She was really dripping and I lapped it up, enjoying the quivering of her vaginal muscles as I stimulated her front and rear. With a loud gasp Lucy came, surprising me with the intensity of her orgasm as her anal muscles constricted around my thumb and her pussy clenched and spasmed.

It was time to feel my semen squirting inside that beautiful bald cunt, so, catching hold of her ankles, I pushed her knees back till they touched her wobbling tits, flattening them against her chest. With her arse raised slightly off the bed, her hairless slit was spread wide, her velvety labia wet and sticky from her orgasm.

I positioned myself above her, my hard penis poised over her open crack. My glans slid back and forth over her slick pussy lips, teasing her. "Fuck me!" she begged, reaching between her legs in an attempt to grab my cock. I shoved forward, splitting her cunt lips with my cock and forcing my engorged helmet inside her. Her pussy was so dilated and wet that she took my full length and thickness with ease. I slammed myself balls deep inside her, poking her twitching cunt as hard as I could as her pussy walls gripped my tool. We were both panting and sweating as I stroked ever more deeply and ferociously.

I was on the edge when Lucy gave me one more incredible cunt squeeze and I exploded, spraying my sticky load into her convulsing snatch. She was crying out and biting my shoulder hard, so I think it's fair to say that her climax was at least as shattering as mine!

Max, Pool

FOUR-PLAY!

There are four of us. We are friends and lovers, and we often meet to have fun, make love and just enjoy each other's company. We are not swingers, we are four single ladies who have found each other by accident, and now enjoy a Sapphic relationship as and when the mood takes us!

Sarah is dark-complexioned, with brown hair and eyes: tall, lean and very athletic. Celia is fair skinned, with auburn hair, green eyes and a lovely curvaceous body. Jean is a tiny, bubbly blonde with small pert little breasts… and I'm Karen: also blonde, with grey eyes and a voluptuous figure. This is what happened last weekend when we met up at Celia's house. It was the coolest 'ladies' night in' we've ever had, and well worth describing!

Celia had laid some quilts on the carpet, providing a soft surface. We had found from experience that the four of us would not fit comfortably on a double bed (in fact, at least one of us would invariably fall off at some point in proceedings) and, as usual, randy bitches that we are, we got right on down to business!

Celia lay on her back while Sarah

> **"Sarah spread my labia wide, licking with deliberation. I quivered as she sucked my clit"**

worked on her left breast and Jean pleasured her right one. I felt the need for something considerably wetter in my mouth so, snatching a cushion from the couch, I placed it under Celia's bottom, raising her pussy and making for easier access to her already-juicy slot. I knelt between Celia's bent knees and lapped hungrily at her cunt, her curly little bush tickling my nose as I licked up her tangy sex-juices.

Celia moaned hoarsely as her pussy nectar flowed, and I could smell the tangy scent of her arousal. Looking up, I saw that Sarah had as much of Celia's tit in her mouth as she could fit, sucking it hard, pulling it gently in and out of her mouth and tonguing the nipple, scraping its hardening flesh between her teeth.

Jean was a bit more deliberate, swirling her tongue around the erect nipple, clamping her lips around it as she sucked it hard. Whimpering in delight, Celia clasped her hands at the backs of Sarah and Jean's heads, pulling them against her breasts as they teased her mammaries – only releasing her grip to stroke my hair when I recommenced sucking her clitoris.

I could feel Celia start to cum. Her hands gripped my hair more tightly as she pushed my mouth against her hot cunt-lips. Still sucking hard, I snaked my fingers into her saturated pussy, searching for the ridge of skin where her G-spot was. Finding it, I caressed it gently, and Celia surrendered to the three of us – climaxing hard as her body was stimulated simultaneously by a whole trio of lovers. Her pussy convulsed and her vaginal walls contracted tightly around my fingers as she squirted her feminine essences against my fingers.

Celia was still in the throes of orgasm as my busy digits were joined by Sarah's and Jean's, all three of us dipping our fingers into her hot wet cunt and stretching her wide as we frigged her to prolong her orgasm. As she sobbed breathlessly in exultation, the other two returned their attention to her nipples, smearing her aromatic, sticky secretions around her nipples, and lapping it up eagerly.

I resumed tongue-teasing Celia's love-button, occasionally nibbling lightly at her clit-hood, and she began to buck underneath me, and her thighs parted wider as she lifted her hips up and began to grind harder against my mouth. Her whole body started to shake and throb as another orgasm swept over her. I was well pleased with my efforts!

Recovering her breath, Celia reached for Jean's small, rounded breasts, and ran her fingers over her hard nipples. Unsurprisingly, Jean moaned and lay back. Bending over her, Celia leaned down and kissed her wet pussy, sipping the hot syrupy cum juice. "She tastes good," she whispered to Sarah and I, as we lay entwined, watching and stroking each other's swollen cunts.

Celia again buried her face in Jean's pussy, as her right hand stroked Jean's titties. She lapped gently at Jean's clit and at this point Sarah and I moved over to join them. Sarah straddled Jean's head and lowered her cunt onto Jean's eagerly waiting mouth. I watched excitedly as Jean's pointed little tongue darted out enthusiastically to stimulate her clit, simultaneously licking at Sarah's juices. Celia concentrated on Jean's clit, her arse pushed up in the air as she buried her face in Jean's slot – slurping and sucking at Jean's hot little box for all she was worth.

Celia's upturned arse inspired me to part her bum-cheeks and slide my tongue into her crack, rimming her with firm tongue strokes and wet kisses as I sucked, licked and probed at the wrinkly circumference of her anus. Celia's head jerked up and she moaned as I tongue-fucked her from behind. Even with all this going on, Jean was able to maintain contact with Sarah's clit, and she orgasmed loudly as I pumped in and out of Celia's behind, using my tongue like a miniature cock – pushing it in as far as possible, then withdrawing it slowly.

Sated, Sarah moved behind me to watch the action. Celia had returned to licking Jean's engorged clit – her mouth and tongue lapping furiously until Jean called out as she climaxed. As I worked on Celia's ring, rimming her and frigging her soaking pussy with my fingers, I felt what I had waited so long for; the wet strokes of Sarah's tongue as she drew it up and down the length of my snatch.

My pussy thrilling to these superb sensations, I separated my legs further to facilitate her. My juices were dribbling down my thighs, as stimulated by the smell of Celia's arousal and the spicy taste of her glorious little anus, I teetered, pussy convulsing slightly, on the brink of an orgasm.

Sarah spread my labia wide, licking with deliberation, occasionally pausing to blow little puffs of air over the wetness. I quivered with excitement as she sucked on my clit; I could feel her finger swipe up juice from my slot and circling my anal opening. I heard myself begging her to use her finger inside my waiting bum-hole.

Sarah complied, carefully working her finger into my tight arsehole as I pressed my arse back against her hand. Then I felt a finger slide inside my pussy… then two more – and I felt totally filled – the sensations making my back arch as I bucked and writhed on Sarah's hands, quite literally riding her fingers. As yet another finger joined the one already in my anus, I felt my orgasm explode deep inside me and I came hard, thrusting down and back onto the fingers which were filling my orifices.

Gasping for air as the last spasms shook me, I rolled blissfully over on the edge of the quilt and floated in afterglow. The others joined me, each of us touching the others… all of us sated and affectionate as we lay in a heap of flesh, our naked forms glistening with sweat, our breath coming in ragged gasps.

As I said: we're just four single girls. You wouldn't know what we get up to when we get together for some fun. But if you ever bump into me, you'll probably know who I am straight away. Just look out for a blonde with a perpetual smirk on her face!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

REUNION RUMPING!

I bumped into an old friend I hadn't seen in ages this June. Robert had gone off to university a few years ago, but was home over summer visiting his parents. We'd had a thing for each other just before he'd left, and had talked dirty, but never acted on it. I decided to see if the spark was still there, and invited Robert over for a few drinks one night.

When he showed up at my door, he had a mate from his halls with him, Neil. This scuppered my plans for a romantic evening in, but I could hardly turn him away, as he didn't know anyone else in town. We had some drinks and relaxed in front of the telly, talking over old times and getting to know each other all over again, but when Robert started kissing me on the sofa I pushed him away.

"We can't do this," I said, looking over at Neil. "Not with him sitting there."

"We could send him home, or you could always fuck him, too?" Robert suggested. I was shocked, but Robert went on. "Come on, you always said your favourite fantasy was to be fucked by two guys at once. Well, now's your chance. Don't you want to give it a try?"

"That's just a fantasy," I protested, but Robert's offer prompted a deep desire in me. Yes, I was initially shocked and outraged, but really, how often does a girl get an opportunity like this? I felt a hunger in my stomach, and my pussy started to swell.

"Are you sure he'd be cool with it?" I asked nervously, so Robert slapped me on the bum and told me to go and suck Neil's cock. Neil gave me a smile, unzipped his trousers and pulled out his slumbering manhood as I crouched before him.

I swallowed up his thick snake and felt it grow hard against the roof of my mouth. Five inches soon turned into nine as I sucked and licked his deliciously salty prick. Robert reached underneath me from behind, unbuttoned my jeans and pulled them off as I worked Neil's cock in and out of my mouth. Next off were my little pink panties, slipped over my arse to expose my sticky slot. Robert placed a hand on each buttock and prised them apart, then stuffed his face between my legs so that his nose pushed into my pussy.

He tantalised me with it at first, then moved his mouth up to my hole and slipped his tongue in. I gasped and parted my legs as he probed me deeply, and carried on sucking Neil off as he ran his tongue up and down my slot from my cunt to my arsehole.

> "Neil shot a couple of squirts into my mouth but held back enough to keep the main load at bay"

"Put something in me," I moaned, and Robert pushed his fingers into my throbbing cunt. I sucked up and down Neil's cock, totally lost to lust as Robert finger-fucked me from behind, then he pulled them out and pushed them against my crinkled arsehole. I began to moan and whimper as he fed them in, especially when Robert told Neil what he was doing.

"This girl loves it in the arse, she's a real slut, aren't you, Jenny?" he said, and I moaned in passionate agreement.

Robert pumped me with his fingers for a while, really giving me a taste for it, before getting to his knees behind me and slipping his fat cock inside my arse. His girth stretched my sphincter delightfully wide and I moaned into Neil's hard meat as my bum was penetrated inch by wonderful inch.

I almost swooned with pleasure as Robert gripped me by the hips and pulled me back against his hard rod until I'd taken the entire length. Robert was right, I do love a good arse-fucking, but it felt even better with a cock in my mouth, too. As Robert drew his prick out of me and pumped it back in, I wanked Neil off into my mouth and rubbed his balls with the flat of my hand until I felt him begin to twitch against my tongue. Neil shot a couple of little squirts into my mouth but held back enough to keep the main load at bay as I milked and sucked him some more.

Robert, in the meantime, was holding me in place by the waist and stroking his hard cock in and out of my deep dark hole, slowly building up the pace the more excited we both got. He thrust in as far as he could, then drew out and plunged back in again, making me moan with every stroke.

Neil finally lost control and blew his load, filling my mouth with a great torrent of sticky cum. I drank down all that I could, nursing the last few drops on my tongue. Robert was growling as he fucked my arse harder and harder, then he suddenly thrust into me fiercely and fired a great wad of hot cum straight into my rectum. I loved the way his cock jerked and twitched inside me as it delivered its load, and I clenched my arse to keep him there as I fingered my clit to orgasm.

Robert and Neil returned to university after the holidays but have promised to come back and see me again real soon. Robert also suggested I went up and stayed with them both in their halls. He said the rest of the guys would love a dirty bitch like me, and I've been fantasising about being fucked by the whole sodding lot of them for weeks now.

Jenny, Dorset.

TOO TIGHT TO MENTION!

When my boyfriend lost his job in the run-up to Christmas, all our festive plans were put on hold. It was supposed to have been an extra-special time as it was our first Christmas living together but we were suddenly wondering if we'd be able to afford January's mortgage payment. "Don't worry," Tim said, "something will turn up." Well, something did turn up in the form of Harry, the owner of the company I work for. A man in his early fifties, he's a distinguished gentleman as well as a rather ruthless businessman.

"I hear you're having money problems," Harry said, having called me into his office. I explained what had happened to my boyfriend, Tim. "Unfortunate, particularly at this time of year." Harry's expression was serious and thoughtful for a few seconds. "Now, I'm going to make you an offer you can refuse."

"What kind of offer?" I asked.

"You're a pretty girl," Harry said. "And clever. I'm sure you can work it out." It didn't take more than a couple of seconds to work it out.

"You mean sex?" I asked, feeling a special kind of terror gripping my chest. Harry's face remained almost entirely blank, however there was just a twitch of a smile as I stared at him in genuine shock. All of my deepest, most secret fantasies were about having sex for money. "You'd pay to have sex with me?"

"Now that's an interesting concept," Harry said carefully. "If you were to come to me with some kind of offer, let's just say that I wouldn't be phoning the police." My cheeks started glowing as I looked down at my feet, allowing a few moments for the meaning of the words to sink in. Even if Harry offered something which didn't make sense financially, it was still something which would interest me on a sexual level.

"I'll think about it," I promised, barely able to walk for the raw excitement filling my body. I went out to my car and just sat in it, shaking. Could I really do it? Could I really let another man touch me, perhaps even fuck me? I began to imagine what it would be like. Would he be rough with me? Would he want to do it at work or perhaps in some seedy hotel? Each scenario was a variation of my core fantasy of being paid for sex and as I fleshed out the details, it got me so hot that I simply had to do something about it. I masturbated right there in the car park while thinking about all the dirty things Harry would do to me

and my pussy was still sopping wet when I dragged Tim up to bed for an early night.

“What’s got into you?” Tim asked.

“Nothing yet,” I replied hungrily, making a grab for his cock. I sucked life into it before climbing on top of him, guiding it into my slippery hole before riding him harder and faster than I ever had before. I wondered whether Harry would enjoy seeing my tits bounce as I fucked him and it was with this thought in my mind that I erupted into one of the guiltiest orgasms I’ve ever had with my boyfriend.

> **“It took minutes, but as the lubricant worked its way inside, Harry’s cock was able to follow”**

Over the next couple of weeks, I became obsessed to the point where even my dreams were polluted by images of fucking Harry. Tim started asking me what was wrong as there were evenings where I hardly spoke to him since I was so afraid of letting something slip. In the end, not fucking Harry became worse than just getting on and doing it, especially when twice my normal wage was deposited in my bank account at the end of the month.

“So how would it work?” I asked, trying to control the butterflies swirling around my insides. Harry didn’t respond immediately and the intensity of the situation made me feel deeply uncomfortable. “I assume you had something to do with the extra money in my account?” Harry dipped his head in acknowledgement but otherwise didn’t respond. “Have you changed your mind?”

Shaking his head, Harry smiled. “No, I definitely haven’t changed my mind.” He strolled across his office, pausing on the edge of my personal space. “But I wanted to demonstrate that this isn’t a one off thing. I’ve been thinking about this and I know what I want from you.” I swallowed nervously. “What I’m offering is a job.”

“A job?”

“A job.” Harry confirmed. “The job of keeping me sexually satisfied. It comes with a wage and even a pension. It won’t mention our arrangement on the contract, of course, but as you can see, the money is real enough.” The offer was better than any fantasy I’d ever managed to dream up and my pussy started creaming. “You’re an enterprising young woman,” Harry said, “and I’d be happy to take advantage of you.” I gasped, my body ablaze with the heat of desire.

“What do I have to do?” I asked, thankful that Harry couldn’t read the things I wanted him to ask me to do.

“Take off your clothes,” he said in a deep, commanding voice as he reached down and adjusted his pants to make room for his obvious erection. Harry hadn’t asked me to strip for him, so I just undressed as I would when alone in my bedroom, except I wasn’t alone as I exposed first my breasts, and then my bum and finally my pussy. As I stood there, naked, the only sound in Harry’s office was my elevated breathing. “The money in your account means I own this,” he said, waving his hand up and down in front of me. “I own your mouth, your tits, your pussy and your ass.”

“My ass?” I gasped. The filthiest of my fantasies always involved my ass.

“Turn around,” Harry said. “Now bend over and spread your cheeks.” My heartbeat went wild as I followed Harry’s instructions. I shot forward as his fingertip touched my twitching arsehole. Moving back into position, I hoped to show Harry my willingness. “No part of your body is off limits to me.” I gasped again with a mixture of shock and desire. My arsehole had been strictly off limits to every other man I’d been with, although I enjoyed pushing a sneaky finger up my bum when I fantasising about having anal sex. Harry was different as he had paid for the rights to use whichever part of my body he wanted.

“I understand,” I whispered.

“For the money I’m paying you,” Harry said, increasing the pressure so that his finger actually went inside my bum, “I definitely have rights to go in here.”

“Mmmm. Are you just going to give me your finger or are you going to make me take your cock in there?” My question actually made Harry crease in half as he fought to get his cock out.

“You’re a dirty girl.”

“Like you wouldn’t believe,” I said, rummaging in my bag to find the lubricant I’d been using to fuel the dirtiest of my fantasies. “But I need you to be gentle with me.”

“My pleasure,” Harry grunted, placing the lubricated head of his cock into the cleft of my ass. Blunt pressure made me groan with frustration as Harry’s cock battered against my arsehole. There was no penetration for long minutes but as the lubricant worked its way inside, Harry’s cock was able to follow.

“Oh fuck,” I grunted, pausing as an unfamiliar sensation coursed through my body. “Is your cock in my ass?”

“Some of it,” Harry replied. I resumed rubbing my slippery pussy with every sensation suddenly amplified by the knowledge that I had given away my anal virginity so that I could pay my mortgage.

“Oh God, Harry! Fuck my tight little ass!” Harry increased what had been a steady pace into a fast and pounding one. Every thrust hit something inside me, as though stimulating an anal G-spot. I moaned louder, not caring if anyone heard me as Harry hammered my bum.

“I’m going to cum,” Harry announced, making my empty pussy contract as my own orgasm crested. My legs gave way and Harry followed me as I sank to the floor, both our bodies pulsing with sexual pleasure. My body was still throbbing with heat as Harry withdrew and started to clean himself up. “That was amazing,” he said. “But I can’t think of anything dirtier I want to try.”

“Don’t worry,” I sighed. “That’s what you’re paying me for.” There was plenty of filthy fun on my list to try out with Harry.

MARINA

Floats our boats...

19-year-old Marina Visconti might well be a sweet natured bit of Russian gorgeousness, but my can she do rude things. Very rude stuff. The mucky Moscovite is obviously blessed with boobs, which is why she's popped up in loads of titfuck films, but she also specialises in anal, DP, interracial, A2M. Yup, this girl.

"I'm happy exploring my sexuality up on screen for you to wank to," says the girl who made her debut just after turning 18. "Everybody gets some pleasure – I get fucked by all these big dicks while you get to stroke yours. I wish you could all cum on me and make me so sticky!"

19? God help our dicks... ♣

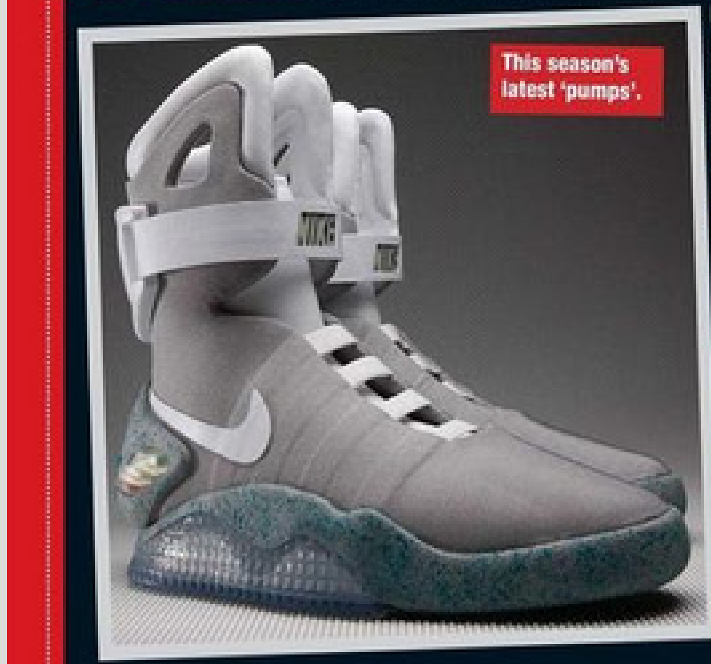
DOWN THE WIRE

Get Your Kicks!



It's good to see the Middle Ages barter system is still alive and well, much to Jason Duval's fortune. Duval, an alleged drug user, was in court on Friday facing drug charges dating back from 2012. When faced with a few days in jail as compensation for court costs he was unable to pay, the judge offered Duval the chance to be creative in insuring his return. Duval offered up his $85 Nike trainers as collateral, which the judge accepted as bail. He definitely won't be running off anywhere.

Vanilla Vice!

All you bakers out there beware – your vanilla muffins could make you a tad squiffy… if you down two bottles of vanilla extract, that is. 46-year-old Carolyn Kesel is accused of drunk driving after blowing a .26 on a breathalyser test. At over three times the legal limit, Kesel allegedly told police she'd just downed two bottles of vanilla extract, when she was stopped after swerving around the Walmart car park. Previously convicted of DWI in 2006, she is currently being held on remand on a $20,000 bond.

Gonna run me down some dogs!

Groaning Granny!

A sexy Ku Klux Klan dream, earlier.

Casey Molter, 28, was arrested on charges of criminal mischief after trashing his apparently psychic girlfriend's 1997 Nissan Altima. The police were called to break up an altercation between the couple after Molter's girlfriend had a premonition that his dead grandmother would appear in his dreams and "commit an unusual sex act on him involving an adult erotic device". Not something to remember your grandmother by.

Daddy's Girl!

Pennsylvania father Reginald Hardy was arrested and charged with aggravated assault after chopping off the dreadlocks of his daughter's male friend. The unnamed 19-year-old was apparently caught by Hardy sneaking around with his 17-year-old daughter. Police say Hardy punched the 19-year-old in the face and threatened to shoot him in the back if he ran. Hardy is currently being held on a $50,000 bail. No women, no cry.
